Before completing this form, **please review** the following list of responsibilities that Alpha Bravo Canine™ expects you to do with your puppy. Early experiences help insure success in later training!

- This program is a two (2) year commitment
- Provide a safe environment for a puppy who will be the only dog under 1-year old in the house
- Lots of love and snuggling
- Lots of daily exercise – long walks, runs, play time
- Diligence with housebreaking
- Regular attendance to SD puppy training classes
- Special games at least twice a week
- Car rides all the time
- Walks in populated places
- Walks in parks and forests – especially important for young puppies to increase their learning capacity
- Go inside to new and interesting places at least once a week (field trips)
- Take the puppy to meetings so it learns to wait quietly
- Discourage barking, except during playtime
- Absolutely **NO** feeding from the table – use the dog dish **ONLY**.

To become an Alpha Bravo Canine™ puppy raiser you are not expected to be a professional trainer, but we do ask that you are willing to learn our **positive training methods only and to provide consistency in routine and training while the dogs are in your care. **
